Business Advantage Savings has the following balance tiers: Less than \$10,000; \$10,000 - \$24,999; \$25,000 - \$49,999; \$50,000 - \$99,999; \$100,000 - \$249,999; \$250,000 - \$499,999; \$500,000 - \$2,499,999; \$2,500,000 and over. We may set the rate for each tier in any amount. At times, the interest rate for a particular tier may be equal to the rate for a higher and/or lower tier. When this occurs, the interest rates and APYs listed in the chart above may include multiple balance tiers shown as a single tier. Your balance earns the interest rate in effect each day for the balance tier associated with your end-of-day balance.

The Interest Rate Booster ("Booster") is included in the "Rate %" and "APY %" shown above for the Preferred Rewards for Business Tiers. The Booster is a variable percentage and can change at any time. Rates will be rounded up to the nearest one hundredth of a percent (0.01%) and expressed to two decimal places.

**Preferred Rewards for Business Savings Booster.** The Business Advantage Savings interest rate booster is only available to enrolled Preferred Rewards for Business members. Your enrollment in Preferred Rewards for Business will not automatically convert any existing savings account to a Business Advantage Savings account. If your enrollment in the Preferred Rewards for Business program is discontinued, the interest rate booster will be discontinued. The Booster increases the Business Advantage Savings Standard Rate by at least the Booster values shown below, and may be higher

- 5% for the Gold tier
- 10% for the Platinum tier
- 20% for the Platinum Honors tier

An example of how the Booster works with hypothetical interest rates: If the Standard Rate is 1.00% then the Platinum rate would be the Standard Rate plus at least 10% (i.e.  $1.00\% + (1.00\% \times 10\%) = 1.10\%$ ). See above for actual rates.

To be eligible for the Booster, clients must be enrolled in the Preferred Rewards for Business program and have eligible combined balances that qualify them for a Preferred Rewards for Business program tier of Gold (\$20,000 to \$49,999), Platinum (\$50,000 to \$99,999) or Platinum Honors (\$100,000 or more). Refer to the Business Schedule of Fees for additional details. If you no longer meet the eligibility requirement, the Booster may be discontinued. When the account is jointly owned by multiple businesses who are enrolled in Preferred Rewards for Business, interest is based on the Rewards Tier that will produce the higher interest rate.

Preferred Rewards for Business Benefits become effective within 30 days of your enrollment or for new accounts within 30 days of account opening unless we indicate otherwise. When moved to a higher tier, benefits become effective within 5 days.

† The interest rates and Annual Percentage Yields (APYs) listed in this deposit rate sheet are effective on the date shown above and apply to accounts located in **Maryland**. Checking and savings accounts are variable rate accounts. We may at our discretion change each interest rate and APY on variable rate accounts at any time without notice. Variable Rate IRA CDs are also variable rate accounts. Other CD accounts earn interest at a fixed rate. With a fixed rate account, the applicable rate is paid until the CD matures. Fees could reduce earnings on an account. A penalty is imposed for early withdrawal from a CD.

We may change the information in this deposit rate sheet at any time without notice. As examples, we may add, delete or change APYs, tiers and CD terms. Please review the deposit agreement and schedule of fees for additional provisions and conditions that apply to these accounts.

Interest rate means an annual rate of interest paid on an account which does not reflect compounding. The APY is a percentage rate reflecting the total amount of interest paid on the account, based on the interest rate and frequency of compounding.

For additional terms and conditions that apply to your account (such as - fees, minimum opening balance requirements, how interest is calculated, and early withdrawal penalties on CDs), please see our deposit agreement and schedule of fees for your account. IRA CDs are only available to consumers.
